

Who We Are:

As a team, at Every Body Pilates (EBP), we are dedicated to helping our members to develop better movement patterns and wellness habits for a healthier life. Our goal is to empower our members. We want them to move through life with the body they HAVE, learning skills that create the body they WANT.

We are a neighborhood Pilates, Redcord, and wellness studio. Our clients are from all walks of life and all fitness levels. Our team members are professionals. They genuinely care, are inspired by and feel dedicated to this work...helping bodies perform better. We help all types of clients including those finding their way back to fitness, post rehab, or athletes working on refining their performance.

We strive to continuously develop our passion for the wellness industry through our in-house education program and the collaboration between our team of highly trained professionals.

Job Description: Personal Trainer

We are currently seeking a Personal Trainer, to join our team, who is committed to their clients' progress as well as their own professional development.

EBP Personal Trainers provide professional instruction and client success oriented programming to help our members meet their personal health, fitness and wellness goals. Our Trainers are committed to their clients' progress as well as their own professional development. The ideal candidate must be interested in the camaraderie, and intellectual rigor of being a part of a team of professionals. As a team, we are committed to helping our clients holistically develop more effective movement skills for a pain free life.

At EBP we work together to maximize each team members potential, while providing limitless opportunities to build a stable and rewarding career within the wellness industry.
