To Our Wushu Family and Friends:

American Wushu Academy is a family owned, community minded, neighborhood martial arts school. Each and every one of you is an important part of our wushu (and personal) lives. We are growing in knowledge, physical skills, and creating lasting friendships. AWA is what it is today because of you. We value our relationship.

Many of you are still with us since we started training at the park. The weather was what it was: Hot (well, blazing), cold (more like freezing) and sometimes in the dark! Then, we grew into RMDC and ALA generously shared building spaces. You continue to work hard no matter what Sifu throws at you!

We are **EXCITED** to announce that American Wushu Academy is opening our own studio! The location is perfect, and the timing right. Our new studio is projected to open around September 1st, 2018. We are thrilled to have you join us at our new studio. We will continue the classes and personal attention you enjoy while offering a few new ones:

- **Tumbling & Tricks**
- **Kickboxing - HIIT**
- **After School Kids Fitness**
- **More Wushu and Sparring**
- **Tai Chi - Qi Gong**
- **Self-Defense - Wing Chun**

We welcome any questions and comments about this long-awaited and exciting new move. We happily anticipate a new adventure with you!

Thank you, and Jiayou!
