World Champion Taekwondo

Black Stripe Application

Belt Promotion: _____

Student Name

Parents: Our students at World Champion Taekwondo focus on the skills of Martial Arts through hard work and physical training. However, we are committed to helping each student succeed in developing strong social skills and ensuring they consistently the right thing at home and at school. In order for any student to be considered for Belt Promotion, he/she must be doing satisfactory work at home. Please take a moment to review this short form and let us know how your child is doing at home. Thank you.

*Talk indicates an area where you would like the Masters to speak with your student about where they can improve, making sure they understand how important the right attitude is for their future success, whether at home or at school. The first time that Talk is marked it will not interfere with Belt Testing, if there's no or very limited improvement, they may not be invited to test until they change their behavior.
