Where is our next Testing?

We are looking for a facility to use for our promotional testing. It has become increasingly difficult to secure a site through the Community Use of Schools office.

We are looking for a facility (like a Church Basketball court) that we can rent for 4 hours on Feb. 10. We can provide proof of Liability Insurance. If you know of a facility that might work, please let me know as soon as possible.

NEXT TESTING

Our next testing is scheduled for Saturday, February 10th.

Children - 10:00 am; Adults - 11:15 am

Be sure to register by Wed., Feb 7th.

Testing will start promptly at 10:00. All students should have all of the required patches on their uniforms for testing. No t-shirts are allowed at testing.

As a courtesy to all of the students, no student is allowed to leave testing until ALL students are completely finished with the testing process. To leave early is disrespectful and creates distractions that are unfair to those who are testing.

Awards ceremony is February 15th at 6:30 p.m. Please wear full uniform to the Awards Ceremony.
