Congratulations to Student of the Month **LUIS GONZALEZ**

Congratulations to Mr. Luis Gonzalez from our Toddler Program for achieving Student of the Month for November 2019! Luis may be tiny but he is one of the strongest and most well behaved kids in the class. He approaches every task with confidence no matter what the results are. At a young age he is already starting to build an incredible mindset to have. He refers to himself as Ironman and he definitely has mentality of him - strong and powerful! We are so proud of his growth. We see a very bright Martial Arts future for Luis! Huge congratulations Luis, we're all so proud of you!
