

REOPEN PLAN - Phase 1

POW! Gym Chicago will re-open services and operations in 4 phases. This 4 phase plan is in response to ownership's respect for the global pandemic and compliance with the City of Chicago Health & Fitness Guidelines, the CDC recommendations, and ultimately for the protection of our community and staff. **Our Phase 1 is equal to the City of Chicago's Phase 3 'Re-Open Cautiously.'** While we wish we could offer more services during this time, we must follow the City guidelines. POW! Gym Chicago will always be guided by the mantra, 'DO NO HARM TO OTHERS.' This plan is a brief overview of the first phase or our approach to reopening many of POW! Gym's programs. POW! Gym and staff is taking every precaution possible to provide a safe training experience.

PHASE 1

CHECK-IN PROCESS

- Upon entering POW! for the first time, you will be required to sign a new waiver and Code of Conduct. This includes parents/guardians. Individuals under the age of 18 will not be permitted inside the facility unless their guardian signs the additional waiver and Code of Conduct.
- Everyone must wear a mask or face covering upon entering facility.
- Everyone must stop at the front desk to be properly checked in for all types of facility usage.
- After check-in, everyone must wash their hands for 20 seconds. Follow recommended steps posted.

CLEANING

- In addition to our daily cleaning routine, all POW! staff will be required to participate in frequent cleaning duties. This includes hourly cleaning of high traffic or used zones.
- Clients and members will be required to participate in cleaning the equipment and space used during their workout. POW! will provide cleaning kits. A list of chemicals is provided on our website under [Blog- POW! cleaning supply list](#).
- POW! will use an electrostatic sprayer daily & fogger to disinfect our facility, both small and large spaces.
- The electrostatic sprayer will ionically charge the disinfectant solution forcing the chemical particles to statically cling to all surfaces. This uniform application results in an even and complete 360 coverage. The 360 coverage process ensures that less obvious areas are disinfected in addition to high traffic areas. To view our machine go to our website Blog called POW! cleaning supply list.
- The electrostatic sprayer is being done in addition to our enhanced traditional cleaning processes like, sanitation/disinfecting of the track, floors, mats, equipment, locker rooms, benches, rails, door handles, dumbbells, fitness accessories, heavy bags, ledges, storage spaces, touch screens, computers, desks, sinks, counters and more.
- We will also be using a fogger machine as an additional tool for a wide-spread application of disinfectant on the track, floors and mats.
- Barefoot training will only be allowed in the studio. Before entering the studio barefoot, you must use the FOOT BATH provided at the entrance to disinfect your feet.

CODE OF CONDUCT WHEN WORKING OUT - INDOOR PRIVATES

- Everyone must wear a mask or face covering during training sessions and while in the facility.
- You must bring a clean indoor training shoe to be used in all indoor training sessions. No outdoor shoes allowed.
- The City of Chicago is requiring masks be worn during all forms of indoor and outdoor training/fitness.
- Barefoot training will only be allowed in the studio and the foot bath must be used by everyone entering this studio space.
- Shoes will not be removed on the ramp. Shoes will be removed after checking in and clean indoor shoes should be put on when you arrive to the shelf or cubby used for your personal items.
- Everyone must respect social distancing guidelines of 6 feet when moving about the facility.
- Cleaning kits will be available at the front desk and within each training space. These items must be used to clean equipment and training space. They must be returned after use to POW!.
- For the safety of everyone, POW! has fewer training accessories available for use. When using any accessory (i.e. jump rope, cable attachment, medicine ball), member will be required to place these items in the 'USED/DIRTY EQUIPMENT BIN.' They will be disinfected by the fogger or sprayer.
- Everyone must bring their own gloves and wraps. No house gear will be provided.
- Everyone will be required to sanitize their own heavy bag, dumbbells, barbells, treadmills, bench, kettlebells as well as large pieces of training equipment.

CODE OF CONDUCT WHEN WORKING OUT - OUTDOOR TRAINING

There are so many things that make POW! a special community. We ask that all clients & customers observe the following etiquette.

Lead By Example

Here is a review of our company values

BE POSITIVE

Please return to POW! with a positive attitude.

BE KIND

Show kindness to others as an extension of a positive attitude to help ease those who feel slightly 'on-guard.'

BE PATIENT

Please show patience with everyone. The expected changes in behavior require support and consistency.

BE DISCIPLINE

Adapting to the new guideline will require discipline from everyone.

BE RESPONSIBILITY

We must Lead By Example. Support POW! by being responsible for yourself and follow the guidelines.

All guidelines will be evaluated weekly. POW! and its staff will be highly adaptable and support State legislation and City of Chicago Public Health Guidelines. POW! staff will also follow the guidelines outlined in this document, leading by example to ensure that everyone can enjoy working out and some sense of normalcy.
