

HOMWORK POLICY

At Freedom Preschool our goal is to offer our children a well-balanced After School Program.

While we understand the importance that homework plays in the life of a child, as well as for the families we serve, we strive to meet the needs of the whole child. In addition to helping children meet personal academic goals, we recognize our responsibility to give children a chance to socialize, have unstructured play (in well developed centers both indoors and out), have time outdoors and have a nutritious snack.

Our schedule reflects current research showing children concentrate better and produce more work when they have had a chance for a physical break first. Our philosophy is that children learn and grow in play.

For those choosing to do homework, while we can't promise accuracy and/or completion, we do wish to support the homework choice in the following ways: A 20-30 minute time frame to work on homework. If your child does not have any homework or if you choose for them not to work on it while at after school, we will have them read until everyone is finished.

Please **choose one** to sign and date for acknowledgement:
