PHYSICAL FITNESS

Exercise is one of the biggest parts of physical fitness! Martial arts is great exercise. So is playing tag with your friends, roller-skating, dancing - anything that gets you moving!

Finding exercises you can have fun doing is important. You should get some exercise each day, and if you don't have fun, you'll be less likely to do it. Your challenge this week is to try a variety of exercises, one each day, to see which ones you like! Circle the ones you do or write in your own.
