

Hello, we hope you're doing well! We wanted to touch base concerning the news that the State of Oregon will be lifting the mask mandate on March 12, 2022.

Our school will follow the state's guidelines and will adopt the following effective Monday, March 14, 2022:

1. As of now there is no option for vaccination for children 4 and under. Until a vaccination has been approved, we will **require** masks to be worn by students, staff, and visitors during our Little Tiger classes
2. Masks will be **optional** during all other classes
3. For now, our staff will continue to wear masks
4. For now, we will continue to provide hand sanitizer before and after class

We will do our best to make sure there's air flow during class time and will try to maintain 3 to 6 feet distance between students.

We encourage you to do what you feel is right for your family and we will do our best to offer a safe environment for all our students.

We will continue to monitor the State guidelines and will adjust if necessary.

Please let us know if you have any questions.

Thank you for your support, we appreciate you so much!
