Team Selections

The safety and success of each, and every athlete is of the utmost importance to the Premier Athletics staff. Team Selection is a process of evaluations so each location can put together the most competitive teams possible. We have found the most success in our locations occurs when teams are competing at a level that they are capable of and training at a level above what they compete. When placing athletes this way we can correctly train the skills with proper technique. We ultimately build strong confident athletes and provide a safe environment.

It is important to understand that while winning is always the goal - our main priority is to ensure that our athletes have a good experience and learn lessons in team-work, confidence and overcoming life's obstacles.

Every athlete will be placed on a team. No experience is necessary to become a member of the Premier Athletics All Star program. We offer teams for all ages and all levels. Every athlete will go through an individual evaluation process where they will demonstrate their abilities in stunts, jumps, tumbling and more. We will then evaluate individuals in both stunt groups, and large group settings to determine where the athlete's overall skill set best fits amongst a team. We pride ourselves on creating a non stressful evaluation process. This is not a TRYOUT. **Every athlete will be placed on a team.**

USASF Credentialed Staff and Certified Gym

- The mission of the United States All Star Federation (USASF) is "to support and enrich the lives of our all star athletes and members. We provide consistent rules, strive for a safe environment for our athletes, drive competitive excellence, and promote a positive image for the sport."
- The Premier Staff and all gym locations are certified through USASF and compete only at sanctioned events.
- Each athlete within the Premier Athletics program will be required to become a member of the USASF. The cost for this is \$49. If an athlete turns 18 during the season, they are required to do Safe Sport Training and have a background check. More information can be found at usasf.net.

Additional Training Options

Tumbling Class Option:

- All Stars are encouraged to take an extra hour of tumbling per week to improve their tumbling skills. In order to facilitate everyone's tumbling needs, we offer regularly scheduled tumbling classes at 50% off the regular rate. You must register for tumbling classes on a monthly basis.
- **Please note that if you have an outstanding balance on your account, your all-star will not be allowed to take classes until their account is current. (This also includes siblings that are not all stars that take classes).**

Flex Class for Flyers:

- ALL team flyers will be required to have ALL body positions in order to fly in their routine.
- All Stars are offered 50% off the cost of the class.
- The class is open to all athletes.

Crossing Over To Another Team:

- All Stars may want to cheer on more than one team.
- The additional practices, and extended time in the gym, will help develop their athletic ability and confidence.
- This option is *not* for everyone. The commitment of time is greatly increased.
- First year athletes are discouraged from participating on more than one team. Please understand that each case will be addressed individually. The coaches reserve the right to make exceptions under special circumstances without question.

- Athlete may need to arrive by a designated time on Friday evenings of a two-day event for scheduled practices at the event. It is also possible that awards for some teams could be late Sunday evening. The gym will give you this information as soon as it is available to them. Athletes are required to attend their award ceremony at all events.

- In the event of inclement weather, we will remain in contact with the event company and get information to you as soon as possible. If the event is still being held, we plan to attend the event.

Attendance

Summer Practices

- Attendance at practice is critical to your athlete's progress and integral to the success of the team and athletes should be at practices during the summer season.
- We will designate one week during the Summer with no team practices. Please try to schedule your family vacations during this time.
- Any absence must be communicated with the Coach and All-Star Supervisor via email, noting the vacation, camp, game or any other scheduled activity preventing the athlete from attending practice at least 2 weeks in advance. We also ask that you send a reminder to the coach the day before.
- Last minute absences due to illness or family emergency can be communicated privately/directly through the group messaging app, but also emailed to the Head Coach and All-Star Supervisor as soon as possible.

Competition Season Practices

The "Competition Season" begins August 7, 2022, ends April/May 2023. Practice attendance is mandatory and compliance with the attendance policy below will be strictly enforced. An athlete's team position will be jeopardized for noncompliance with all the following terms of the attendance policy.

- Athletes are expected to be at every practice.
- If an athlete is absent from practice for any reason, whether excused or unexcused, he or she is responsible for learning ALL routine changes made in their absence **before** the next practice.
- Practices may be changed or added at any time during the year. Parents must check the GroupMe, Band App and emails daily to stay on top of the practice schedule for updates.
- We are aware that many junior/senior HS age athletes will need to take the ACT/SAT on a Saturday. We recommend that you schedule these as early in the season as possible. A competition cannot be missed due to ACT/SAT testing. Please let your coach know your SAT/ACT dates as soon as possible.
- The viewing area is open for practice/class observation every day; however, if a problem arises, the Premier Athletics staff reserves the right to close viewing at anytime.

The Manager, All Star Supervisor and team coaches have ultimate discretionary authority to excuse absences on a case-by-case basis.

Unexcused Absences

- Athletes are only allowed **three (3)** unexcused absences during competition season. If a fourth absence occurs, a parent meeting will be scheduled, or the parent will be notified via email. If additional absences occur, disciplinary action may be taken for noncompliance, including but not limited to, removal from the team, being put on probationary status, placed as an alternate, or removed from various elements of choreography and skills.
- Examples of unexcused absences: family gatherings after breaks, concerts, parties, studying, birthday parties, dances, etc.
- **Unexcused absences are NEVER allowed the weekend and week before a competition or performance under any circumstance. Noncompliance may result in the athlete being moved to an alternate position or removed from an upcoming competition.**
- Missing a competition will result in immediate dismissal from the program.

Attendance

Injury: In the event an athlete is injured, you should notify your All Star Supervisor and Head Coach of the team and let them know of the happening of such injury immediately. Thereafter, you should continuously update coaches as soon as possible with all information concerning doctor's prognosis, estimated length of recovery, potential for surgery, and any change in circumstance affecting their ability to perform the physical skills required to fulfill their role on the team.

We will re-choreograph routines based on the athlete's injury and length of recovery. Once the individual has fully recovered, he or she may or may NOT be choreographed back into the same spots in the routine. The determination of when he or she will be placed back into the routine is up to the coaches, All Star Supervisor and Gym Manager based on the team and competition schedule at the time. Every situation could vary.

POST SEASON EVENTS (US Finals, Summit, Worlds)

All full-year competitive teams may earn the opportunity to compete at a post season event. US Finals is an option for ALL Full Year teams if they place in the top 3 at competition. The Summit is a "bid" opportunity event. Bid Eligible Divisions Level 1-5 must earn a Wildcard, At Large, or Paid bid to The Summit in order to attend and compete. The Cheerleading Worlds is also a "bid" opportunity event. Senior Level 6 is the only eligible team. The Senior Level 6 team must earn an At Large or Paid bid to The Cheerleading Worlds in order to attend and compete. ALL Post Season events are a privilege for each team, athlete, and coach.

- All regular season balances must be paid in full in order to be eligible for post season events.
- Athletes are permitted only ONE absence between regular season events and their designated post season event.

BID Required Event Rosters:

- If an athlete has an unexcused absence during competition week, the athlete is not permitted to compete, and a fill in is required. The fill in will be rostered for the post season event.
- If an athlete is injured or sick, meaning the athlete is physically unable to be on the mat and execute their skills, a temporary fill in will compete. The original athlete (injured or sick) will return to the roster and in the routine once released and will compete at the post season event as long as routine responsibilities are met.
- If an athlete chooses to miss a competition for any reason other than injury, illness, or family emergency, that athlete will forfeit any opportunity to compete at the post season event but may attend as an alternate.
- Just because your athlete was on the roster and in the routine to earn the post season event bid, does not mean the athlete will be on the roster or in the routine at the actual post season event.
 - Financial responsibilities must be met.
 - An athlete's skill set, work ethic, and or commitment level must be maintained.

All Star Quitting Policy

- If an All Star decides they no longer want to be part of Premier Athletics after team choreography, they will be responsible for paying a buy out fee of \$500.
- No refunds will be given.
