

Welcome to East West Tae Kwon Do! **POTOMAC VILLAGE**

We are the martial arts program families choose! Students of all ages and abilities are welcome. Our students learn more than just kicking and punching.

We **empower** our students with confidence and character to stand up and be strong in life, so they are never afraid to face any obstacles that may come their way. We approach students as individuals and help them grow and achieve according to their own abilities.

During the pandemic, we are offering different classes depending on your comfort level:

- Outdoor Classes
- Studio Classes
- Zoom Classes
- Private Lessons

Experience Excellence by taking a FREE introductory lesson.

Call **301-869-7072** or email us at eastwestTKD@verizon.net to set an appointment.
