# TEXAS DOMINATES DUALS!!!

*“Wow, arrogant much?”* Please forgive me, I am not trying to be arrogant or braggadocious. But, if not a domination, how would you describe the fact that every team from Texas not just competed, but earned a medal? Hmm...that’s what I thought. Eastside Dojo’s Head Coach Russ Hogan led the Texas team, consisting of 20 judoka from across the state, to impressive victories, which made for a dominant showing.

The 2023 Veteran National Judo Duals proved to be an exciting event, especially for judo in Texas and at Eastside Dojo. This annual competition brings together some of the most skilled and experienced judo practitioners from around the United States. The competition took place the first weekend in March, the 3rd through the 5th, in Atlanta, Georgia. It proved to be one of the most exciting yet, with competitors from all over the country vying for victory in a series of intense, hard-fought matches.
