

Announcing This Year's FUJI & GTMA Adventure!

Hello, Friends and Family of FUJI and GTMA!

You've waited long enough; the time has come for us to announce this year's FUJI & GTMA Adventure, operating round-trip from Fort Lauderdale on Sky Princess Dec. 2-9, 2023. The week-long adventure includes visits to three incredible islands: the cruise line's own private Bahamian destination, Princess Cays; San Juan, Puerto Rico, and St. Thomas, U.S.V.I.

Building upon the tremendous success of the inaugural martial arts cruise held earlier this year, Princess and FUJI are partnering with the world's fastest growing Taekwondo organization, Global Traditional Martial Arts (GTMA) for the martial arts-themed vacation of a lifetime featuring world-class athletes and instructors and intensive classes focusing on self-defense, discipline and fitness both on board and ashore. In addition, there will be workshops, seminars and Q&A and photo sessions, as well as fun family competitions, business-to-business networking opportunities, private shipboard receptions, and so much more.

Expected athletes from FUJI Sports Include: Jimmy Pedro, Kayla Harrison, Xande Ribero, Travis Stevens, Victor Hugo, Sophia McDermott, Bruno Bastos and Gregor Gracie while Grand Master G.K. Lee, the GTMA Leadership, Grand Master H.Y. Chung, Master Carlos Machado and Caitlin Dechelle will represent GTMA.

Enjoy another unforgettable experience with your fellow FUJI and GTMA friends and get ready to learn from world renowned Judo, Jiu-Jitsu, and Taekwondo instructors and for the most exciting entertainment venues, newest dining choices, and award-winning chef partnerships!
