"Age specific and game based martial arts training with a twist"

What SKILLZ/Taekwondo training incorporates

The SKILLZ Programs include an international evolution of martial arts training that target age-specific needs in children. We've taken the coolest parts of martial arts from a variety of styles and combined them into action-packed curriculums that help children build skills that they can apply into every area of their life. We will focus on growth of each child through PIES—physically, intellectually, emotionally, and socially developing, helping them to be the best versions of themselves. Through continued training, they will experience the art of taekwondo and learn eight of the most prominent skills in each stage of development:

BASIC SKILLZ (5&6 years of age): focus, teamwork, control, memory, balance, discipline, fitness, coordination

CORE SKILLZ (7-9 years of age): agility, technique, courage, flexibility, intensity, perseverance, speed, concentration

EXTREME SKILLZ (10-14 years of age): dexterity, reaction, versatility, momentum, precision, instinct, strength, vision

Kindest regards,

Mt Juliet Taekwondo

After School Care Policies/Procedures/General Info/Tuition and Hours of Operation

- Once your child is enrolled in our program, you are reserving a space for your child for the school year. Tuition is expected regardless of attendance. The only time we prorate fees is for holidays/camp days or weeks as listed in this packet. We do not prorate days that your child misses for illnesses or any other reason.
- We will use the credit/debit card information used when you signed your child up for our program. We will withdraw weekly since payment is due prior to the week of attendance.
- Your child MUST be picked up no later than 6 p.m. We do have a late pick-up policy. The first five minutes are “free”. At minute six, the time goes back to the first minute and it is \$2 per every minute that you are late. We go by the time on cell phones. (The time is the same regardless of your carrier.) This fee will be added to the account and will be deducted from the card on file.
- A \$5 per day late fee will be applied to all unpaid accounts until the balance is paid in full. Accounts more than two weeks delinquent will not be allowed to return to the program until account is brought to good standing.
- On the weeks when schools are closing early or have a closing, and you would like for us to keep your child, “camp” fees will be charged accordingly.
- A \$10 DO NOT CALL fee will be charged to the account should you not communicate your child’s absence from our program. This includes if you pick them up from school sick, for an appointment, vacation, or any other reason. Our drivers cannot leave the facility unless EVERY child has been counted.

Day Camps: Camp will be available for most school closings during the year, including breaks. Checkout pages will be available to you to buy days and/or weeks needed for days schools are closed. Camp days are \$65 per child (siblings receive discount). Hours for camp are 7:00 am to 6:00 pm.
