USE ONE ORDER FORM PER STUDENT

Black Belt students may wear black sparring gear. Black and red gear set pieces may not be mixed when participating in testing or tournaments.

You may drop off the completed order form at the counter or scan and email it back to us.

You may pay by check, cash or credit card, or we can charge the card you have on file for your monthly membership payments.

You may purchase your own groin protections, but we also order Shock Doctor athletic cups with briefs, supporters or compression shorts. Size is determined by waist measurement.

Put an X beside the size you NEED of the sparring gear item. Sizes are listed on each of your current gear pieces to help you decide if you need to order the same size or one size up.

Sizes on this form are listed with the smallest size (small kids) at the top of the each list down to the largest sizes (adults) at the bottom of each list.
