## Street Readiness in 23 Classes!

The 36 techniques in the Gracie Combatives program are the most important techniques in all of Gracie Jiu-Jitsu. The 36 techniques have been strategically divided into 23 one-hour classes. Absolutely no experience is necessary to participate in any class, and the 23 classes can be completed in any order.

## Reflex Development Class (RD Class)

Once you have attended each class twice, you qualify to attend the RD Classes. This is where you will learn the advanced combinations that will sharpen your reflexes and boost your confidence to the next level!

## Log-on & Boost Progress!

As a student of the Gracie Combatives program, you qualify for a free subscription to GracieUniversity.com. To optimize learning, use your online access to review past techniques or prepare for upcoming lessons on your computer or mobile device! The online lessons that correspond with each group on the schedule are indicated in parenthesis next to each lesson in the list provided. If you have trouble accessing your lessons online, please speak to Adrian.

## Master Cycle Fundamentals

This class aims to accelerate your skill development and ensure a smooth transition into the Master Cycle program. All 3- and 4-stripe Gracie Combatives students are invited to attend Master Cycle Fundamentals (MCF). Each MCF class is 90 minutes long, consisting of 60 minutes of technique followed by 30 minutes of optional positional sparring. The uniform for MCF classes is the same as Gracie Combatives classes (white gi).
