**What is the refund policy?**

There will be no refund for cancellations made less than 30 days before the week of the camp. Camp registration funds will be refunded if a camper cannot attend due to injury or illness when a notification has been provided prior to the start of camp. Individual missed days due to injury or illness once your booked week has begun will not be refunded.

There are no refunds for missed days or partially missed weeks. There are no refunds in the case of weather emergencies, as those are out of our control.

If a camper leaves early due to behavioral concerns or parent requests, no refund will be given. Please contact our Camp Coordinator if you need to cancel your camper's session.

**What if my child misses a day of camp? Can we do a make-up day?**

No. We do not offer any make-up days for camp.

**Is lunch provided?**

No. Parents must provide children with their own healthy lunch. There will not be an opportunity to buy lunch at camp.

**Is snack provided?**

No. Please Bring two snacks in addition to lunch.

**Can my child bring a cell phone or other electronics to camp?**

We ask that campers keep all electronic items at home since they will not have an opportunity to use them during the day. We don't want to see these items lost or damaged.

**What if I need to contact my child during the day?**

If you need to contact your child during the day, you can call your school's location and speak with a staff member who can take a message for your child if he or she is unable to come to the phone. He or she can then contact you at an appropriate time.

**What is appropriate attire for my child?**

We ask that your child dress appropriately for the weather and in apparel appropriate for outdoor play and arts & crafts activities. We ask that they wear closed toe shoes (not sandals) since they will be outside playing field games. In addition, have them pack a hat for sunny days and a light jacket if it is cool since they will be playing outside.

**Is sunscreen and bug spray provided?**

No. We ask that you apply sunscreen and bug spray prior to or at camp in the morning.

We will remind kids to reapply the sunscreen throughout the day, but it will be their responsibility.

**What happens if my child gets sick during the day?**

If your child happens to become ill at camp, we will contact you to have the child picked

up. If a fever is noticed, the child will have to stay home for 24 hours after the fever goes away. These are state guidelines to help protect against the spread of illness through the group.

**Where do campers go if threatening weather occurs?**

There are safe areas at Infinity for campers to gather if we need to take cover from the weather. Infinity is air-conditioned and the camp staff will pay special attention to the heat index and threatening weather conditions for outside play.
