

# **Welcome to Infinity Summer Camp!**

## **Our Goal**

Infinity prides itself on providing quality programs for our community. Our camp is a great place to learn, play and enjoy new challenges. Our enthusiastic Camp Counselors are excited to provide campers with physical & social outlets, emotional guidance, indoor & outdoor activities, martial arts workouts and supervised play in a **fun and SAFE environment**.

## **Drop-Off & Pick-Up**

Drop-off is 7:30a-9:00a & Pick-up is from 4:00p-5:30p. (Drop-Offs after 9:00a & Pick-ups after 5:30p need to be communicated) Campers need to be signed out, in person, upon pickup by an authorized person listed on enrollment form. This will also give family & staff a moment for Q&A and daily debriefing.

## **Camper Behavior**

To be successful, we expect our campers to follow the main rule of camp, which is **RESPECT**: respect for counselors, one another, and facilities. Our 3-step Disciplinary Plan & Incident Report System will help guide everyone through difficult situations &/or accidents that may naturally occur.

To ensure the safety and enjoyment of all campers, Infinity reserves the right to dismiss campers in the unlikely event there are unresolvable discipline or safety issues. Parents or guardians may be contacted by phone to arrange child pick up. *(No refund will be granted to those unable to complete a camp week due to disciplinary or safety issues.)*

## **Electronics**

With fun filled days of activities & exploration, **screens from home are not allowed**.

If it's necessary for a child to have a phone or tablet at camp for transition purposes, it will be kept with staff for safe keeping until pick-up. In the instance that a camper would need to contact a parent or guardian, they are welcome to use the Infinity office phone.

The only screens used at camp are relaxing screensavers during reading times, and the NEX Playground Game Cube provided by Infinity staff only on bad weather days. (The NEX Playground is a motion-censored active-play system for interactive physical games that requires a screen)

## **Staff**

Infinity Martial Arts prides itself on hiring enthusiastic, mature and educated individuals to lead our camp programs. Our Lead Counselors are trained to guide children through daily activities and training with a positive attitude. Plus all staff will be trained in basic first aid and CPR.

## **Facilities**

Infinity Martial Arts Summer Camp features a main camp room for drop off & pickup, snack & lunch times, arts & crafts, card & board games and camper storage bins. Plus bathroom/changing rooms, a large yard for outdoor games, and a large karate floor for martial arts training & group indoor games.

Campers will also take semi-daily walking trips to the nearby parks and the local splash pad!

## **Cleaning Procedures**

Our regular cleaning and disinfection program utilizes many procedures, cleaning products, and systems to provide members with comfort knowing that steps are being taken to keep our facility and our community safe.

All Summer Camp Staff & Infinity Coaches consistently clean all commonly used surfaces and follow disinfection protocols utilizing EPA-registered disinfectant that kills viruses.
